About the qualification

If you enjoy working with children and shaping young minds, are passionate about children's education and psychology, and are excited about creating interesting, stimulating and fun activities for children, then look no further.

Qualified Educare teachers and early child development (ECD) practitioners are very much in demand in South Africa and worldwide.

Career & Job Opportunities

This programme will prepare you for many career opportunities in teaching and ECD, including:

- Pre-school teacher or assistant teacher
- Play group practitioner
- Day care manager
- Au pair
- Health care assistant
- Entrepreneur

Who should attend

This qualification is recommended for anyone who is currently working in or interested in finding employment in the Educare environment working with young children.

Admission Requirements

- National Senior Certificate (NSC) or Senior Certificate or
- An appropriate National Certificate (N3) or equivalent qualification

Duration

Part-time: Minimum 18 months (3 semesters) of tuition + 18 months of practical in-service training. Each semester will be approximately 14 weeks during which classes will be held 3 evenings a week (from 6-9pm).

Certification

Students write national examinations which are set and administered by the DHET.

Successful students will achieve the following certification which is conferred and issued by the DHET:

- National Certificate: N4 Educare (SAQA ID: 66883)
- National Certificate: N5 Educare (SAQA ID: 66971)
- National Certificate: N6 Educare (SAQA ID: 67007)
- National N Diploma: Educare (SAQA ID: 67050) on completion of N4-N6 and 18 months in-servicetraining

Once students have successfully achieved all three N4 – N6 certificates and have worked for 18 months in the Educare environment, they will receive the highly respected National N Diploma: Educare. They can then apply to be registered as an educator with the South African Council for Educators (SACE).

Course material & additional fees

Study material, textbook and examination fees are included in the tuition fee. Students are required to cover any additional costs associated with practical activities and excursions.
