

ELECTRICAL ENGINEERING

Programme Title	SAQA ID
*National N Diploma: Electrical Engineering (SAQA ID 90674)	N4 66881
	N5 66960
	N6 67005

About the qualification

Electrical Engineering is the study and application of electricity, electronics, and electromagnetism. Electrical Engineers study the use of electricity and equipment for power generation and distribution. This dynamic field involves the design of electronic circuits and the development of systems such as systems such as aircraft autopilots and state-of-the-art computers. Microelectronics, the manufacture, and repair of products like computers, microwaves, and control systems, also falls within the sphere of Electrical Engineering. The design of the qualification enables learners to obtain the qualification by completing the related N4, N5 and N6 courses. On completion of the N4, N5 and N6, learners must complete 2 years of practical workplace learning for the learner to be awarded the National N Diploma (N6)

Type of programme

- Full Time / Part Time
- National Qualification

Career & Job Opportunities

On completion of this qualification, successful learners could pursue a career in:

- Electrical Engineering
- Project Management
- Instrument Technology
- Electricity
- Design Engineering
- Telecommunications
- Power Electronics
- Appliance Manufacturing and Installation

Admission Requirements

- Senior Certificate or NSC with Maths.

Duration

The duration of study for this professional qualification is 18 months, full time or part time and tuition is face to face or online. Programmes are offered during the week on a full time/part time basis. Minimum 18 Years + **2 Years in-service Training.**

Pricing

Send an email to info@amilaktraining.co.za for a quotation.

Student Enrolment Process

Once a student has signed up, there is a step-by-step guide to ensure that the student is enrolled and can commence with their studies

- **Step 1:** Complete Amilak Training Center Application form
- **Step 2:** Submit Application form with required supporting documentation (CV, highest school, ID) to Amilak Training Center
- **Step 3:** Amilak Training Center conducts admission assessments
- **Step 4:** Notification of admission and registration procedures commence
- **Step 5:** Orientation workshop
- **Step 6:** Journey commences to obtaining your qualification in: **ELECTRICAL ENGINEERING**
-

Programme Outline

Year 1:

SEMESTER 1	SEMESTER 2
MATHEMATICS N4	MATHEMATICS N5
ENGINEERING SCIENCE N4	POWER MACHINES N5
ELECTROTECHNICS N4	ELECTROTECHNICS N5
INDUSTRIAL ELECTRONICS N4	INDUSTRIAL ELECTRONICS N5

Year 2:

SEMESTER 1
MATHEMATICS N6
POWER MACHINES N6
ELECTROTECHNICS N6
INDUSTRIAL ELECTRONICS N6

Examination

Department of Higher Education & Training (DHET) is the only examination body responsible to set and administer National Examinations. Only students who have registered and complied with the administration requirement will be allowed to write examination.

Course material & additional fees

Learners must make provision for additional items such as textbooks, stationery, re-write examinations.

Certification

- On successful completion of the programme, you will receive the following certification:
 - **NATIONAL CERTIFICATE AT EACH LEVEL: N4, N5, N6**
 - **NATIONAL N DIPLOMA** (on completion of N4-N6 and **2 Years in-service training**).
- All examinations are National Examinations, set and administered by the Department of Higher Education and Training.
- Certificates and Diploma are conferred by the Department of Higher Education and Training.
- All qualifications are nationally recognised by industry and universities.

Language Policy

All classes and assessments are conducted in English. Learners need to be able to understand spoken English and complete their assessments in English.

Further studies

Learners may pursue further studies in the Engineering Faculty at a University of Technology.

Disclaimer

Amilak Training Center reserves the right to change the programme content due to changes in the regulatory environment, market requirements and other reasons. All possible measures will be taken to minimize inconvenience to students.

I,..... (student name), hereby acknowledge that I understand the information stated in this factsheet and fully comprehend the specifics explained above pertaining to this qualification.
